

AMENDMENTS TO THE DRAWINGS

Sheets with corrected Figures 6, 7, and 8 are submitted herewith.

Figure 6 is corrected to change reference character 252b to 252a so as to agree with the specification at page 10, line 3 and to add reference numeral 160 to the VCM, in accordance with the specification at page 9, line 20.

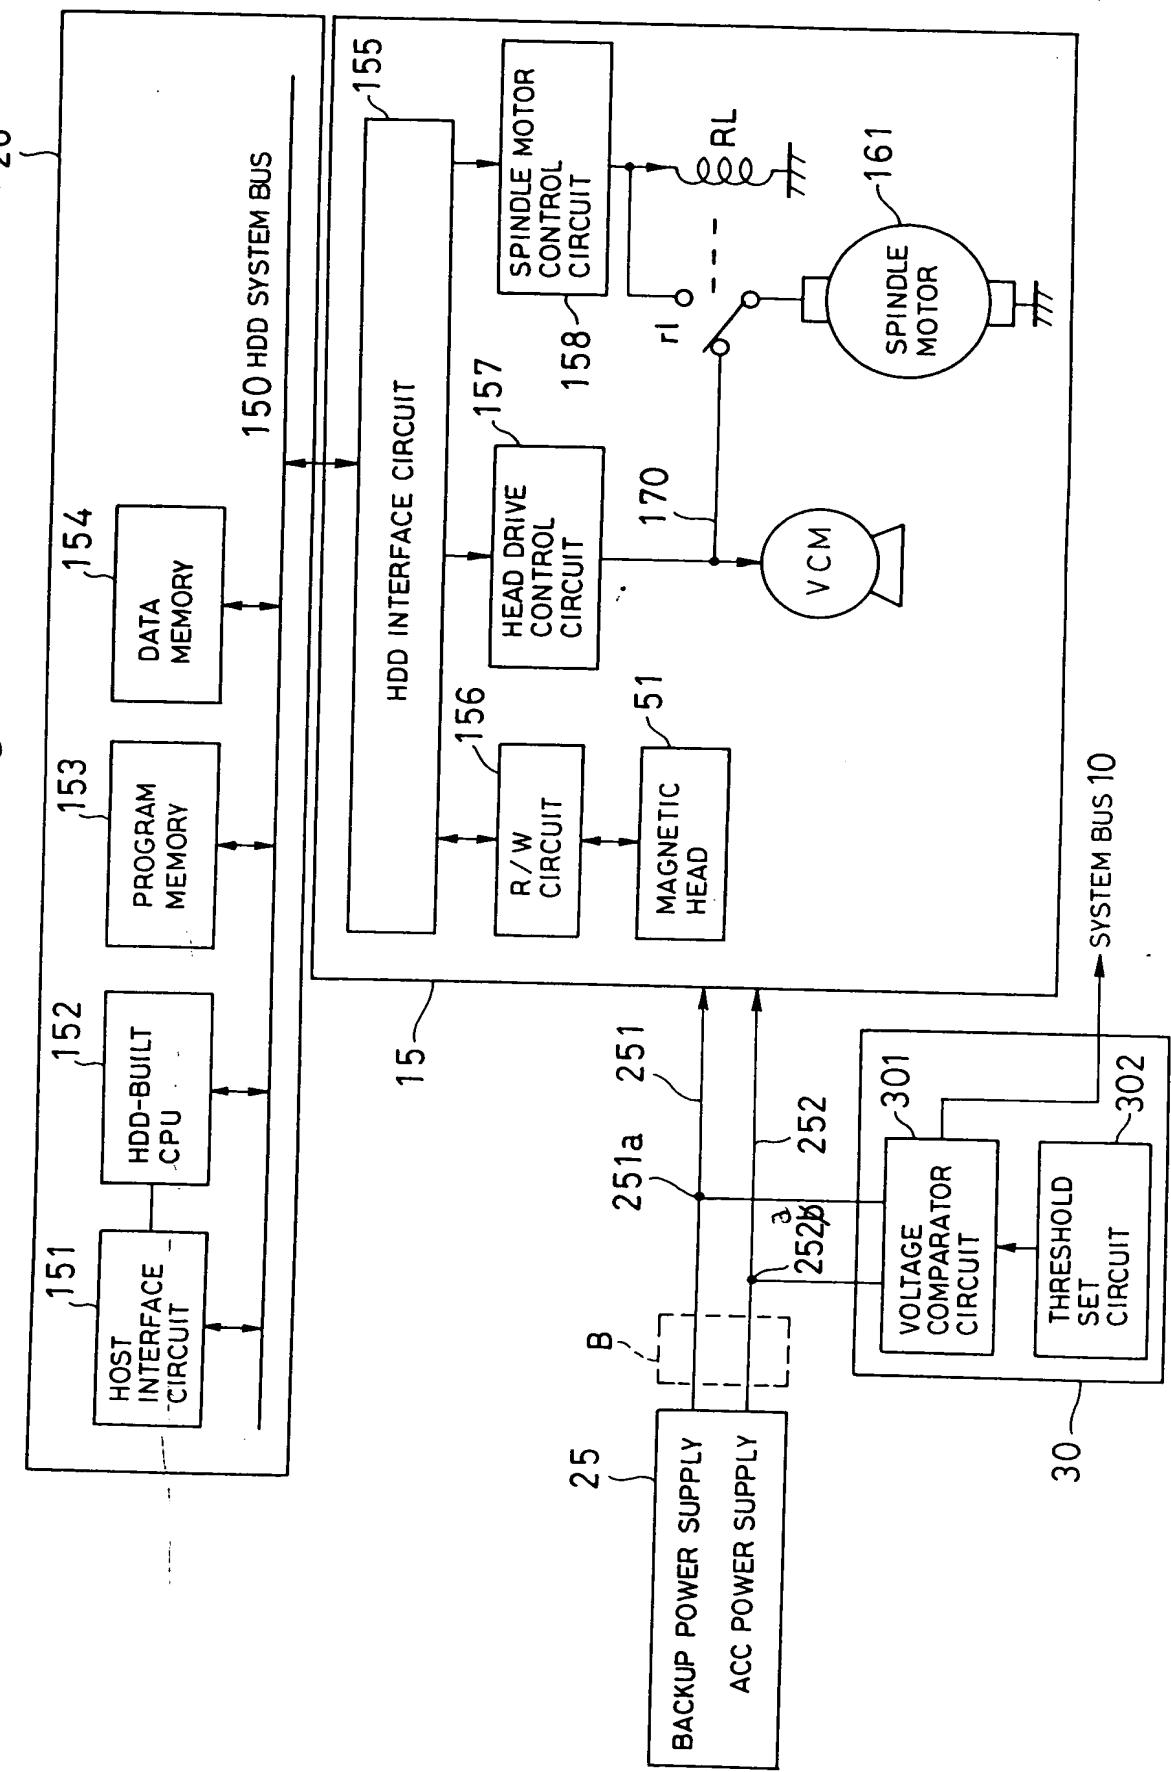

Figure 7 is corrected to correct legend "Acc" to "ACC" so as to agree with the specification and with Figure 4.

Figure 8 is corrected to correct the outputs of block S 42 and to add block S44 so as to agree with the specification at page 11, line 19 to page 12, line 3.
